

Planned  
Parenthood®

Care. No matter what.

Garrett Swasey || Ke'Arre Stewart || Jennifer Markovsky

# **"We have a saying at Planned Parenthood: 'These doors stay open.'**

It means we don't back down because of protestors or violent extremists or anyone else, and it means we are a safe, supportive, welcoming environment for all people who need high-quality reproductive health care."

**- Cecile Richards, President,  
Planned Parenthood Federation of America**
